SECOND RESPONSE TO NOTICE REGARDING DRAWINGS

Dear Sir:

With the exception of this paragraph, this paper is identical to a first response filed by first class mail on June 23, 2005. However, the certificate of mailing in the first response had a typographical error in the mailing date, e.g., "3005" instead of "2005." Since the USPTO may not accept the certificate of mailing in view of the typographical error and the date of arrival in the PTO may be after the non-extendible deadline for response, this duplicate paper is being filed within the time for response with a correct certificate of mailing to avoid having the above application go abandoned.

In a Notice Regarding Drawings dated April 26, 2005, the drawings filed on July 7, 2000 were noted as being unacceptable. However, prior to issuance of this notice, on April 22, 2005, twenty-four sheets of replacement drawings were filed. Given the close proximity of these dates, it appears that the two papers passed in the mail.

The twenty-four sheets of replacement drawings were received in the USPTO on April 26, 2005 as indicated by the OIPE date stamp on the enclosed copy of the return receipt postcard. Nevertheless, if for some reason the USPTO has lost this submittal, also enclosed is a true copy of the submission of replacement sheets of drawings and a true copy of the twenty four sheets of replacement drawings as filed on April 22, 2005 by first class mail.

If a petition is required to have the replacement copies entered, Applicants hereby so petition. Applicants respectfully submit that the above application is in condition for issuance of the patent and so request.

Conditional Petition for Extension of Time: If an extension of time is required for timely filing of the enclosed documents after all papers filed with this transmittal have been considered, Applicant(s) hereby petition for such an extension of time.

The Commissioner is hereby authorized to charge any additional fees required for consideration of the enclosed documents, and to credit any overpayment of fees to Deposit Account No. 50-0553.

If the Examiner has any questions relating to the above, the Examiner is respectfully requested to telephone the undersigned Attorney for Applicant(s).
